

PACKAGING COMPLIANCE DECLARATION

Regulation (EU) 2025/40 (PPWR) - Packaging and Packaging Waste Regulation

Dear Customer,

Mondini Cavi S.p.A. hereby declares that the packaging used for the shipment of its products is identified in accordance with the applicable legislation and complies with the relevant provisions of **Regulation (EU) 2025/40 (PPWR)**.

To ensure the correct disposal of packaging at the end of its life cycle, the constituent materials and the corresponding separate waste collection instructions are provided below.

Packaging Type	Components	Material Code	Separate Collection
Wooden Drum (BL)	Wooden flanges	FOR 50	Wood
	Wooden barrel	FOR 50	Wood
	Steel tie rods	FE 40	Metals
	Washers, nails and metal plates	FE 40	Metals
	Expanded polyethylene (EPE)	PE-LD 04	Plastic
	Adhesive tape	PP 5	Plastic
	Label	PP 5	Plastic
Plywood Drum (BC)	Plywood flanges	FOR 50	Wood
	Cardboard barrel (where applicable)	PAP 21	Paper
	PVC barrel (where applicable)	PVC 3	Plastic
	Steel tie rods	FE 40	Metals
	Washers, nails and metal plates	FE 40	Metals
Plastic Drum (BP)	Plastic drum	PP 5	Plastic
Cable Coils (M)	Heat-shrink film	PE-LD 04	Plastic
	Stretch film	PE-LD 04	Plastic
	Polypropylene strapping	PP 5	Plastic
	Wooden pallets	FOR 50	Wood
	Label	PAP 22	Paper

Where packaging consists of multiple components, they should, where possible, be separated before disposal and placed in the appropriate separate waste collection streams.

Please always check the waste collection and disposal regulations issued by your local authority.
